

EL OSO WATER SUPPLY CORPORATION  
VOLUNTARY WATER CONSERVATION

El Oso Water Supply Corporation (El Oso) is currently in Stage 1 water restrictions as defined in El Oso's Drought Contingency Plan. The goal of this conservation effort is to achieve a 20% reduction in daily water demand sufficient to stabilize water levels of key storage tanks.

El Oso members are requested to voluntarily limit the irrigation of landscape areas to the following schedule:

Before 10:00 A.M. and after 8:00 P.M. on your designated watering days.

Addresses ending in an EVEN number: Sunday and Thursday

Addresses ending in an ODD number: Saturday and Wednesday

Water usage for livestock is exempt.
